Dear Parents, Guardians and Students

**Re: Alouette Bus Lines Service Interruption Subsidy to Families**

The Nipissing-Parry Sound Student Transportation Services (NPSSTS) recognizes that families affected by the ongoing service disruption may be experiencing financial pressures as they provide alternate transportation for their children to and from school.

In response, the NPSSTS is working with several stakeholders to develop and implement a subsidy program that, subject to eligibility criteria, would provide financial assistance to parents or guardians who are transporting their children to school.

The subsidy would be retroactive to the start of the service disruption. Further details will be shared as soon as they are available. We thank you for your understanding and patience as we continue to work to support those affected by the service disruption.

Yours truly,

Chuck Seguin  
Executive Director – NPSSTS
