Dear Parents, Guardians and Students

Re: UPDATE – ADDITIONAL ALOUETTE BUS ROUTES TO RUN BEGINNING THURSDAY MARCH 12, 2026

In addition to those bus routes previously reinstated, we have been advised by Alouette Bus Lines that they will operate additional routes, beginning the morning of **Thursday March 12, 2026**. The following routes are expected to run:

Routes Reinstated Thursday February 26 2026	Routes Reinstated Monday March 2 2026	Routes Reinstated Thursday March 12 2026
001	023	005
610 — also covering Route 605	019	038 – home pick up only*
268	601	039 – home pick up only*
286	602 – also covering Route 603	040 – home pick up only*
011	604	*These routes will only pick up students at their usual home stop. Other routes that transfer to these routes are not running.
022	606	
063	607	
064	609	
065		
061		
062		
014 — also covering Route 066		

All other routes remain cancelled unless otherwise stated.

As previously communicated, **it is essential that parents carefully check the list of cancellations on our website each morning at www.npssts.ca. All routes are subject to regular cancellations/delays (i.e., due to weather)**. Some routing changes may not be apparent on the website. In these cases, we are making every effort to contact families directly to provide updated instructions.

Thank you for your continued patience as we work through this evolving situation.

Yours truly,

Chuck Seguin
 Executive Director – NPSSTS
