

The Nipissing-Parry Sound Student Transportation Services

Requires

Supply and Regular School Bus Monitors

In all areas of the Nipissing and Parry Sound Districts

A School Bus Monitor is assigned to a transportation route because of a particular student who requires assistance for either physical or behavioral reasons or because of a more general need for an additional adult presence on that route.

Duties/Responsibilities:

- Assist the driver in maintaining order on the Special Education school bus
- Enforce seating assignments, where they exist and as needed
- Remind students of bus safety rules
- Maintain a positive and calm attitude while on the job
- Assist students on and off the bus, as needed
- Be aware of Accident/Emergency procedures to assist the driver in case of an emergency
- Perform other related duties as assigned by the NPSSTS Operations Manager
- Support students while in transit who have medical or special education needs

Rate of Pay: \$20.23 per hour plus 4% vacation pay in lieu
