

DO YOU HAVE AN EMERGENCY PLAN?

Although we don't like to think about it, emergencies or unplanned events can happen. More often than not, these happen when we least expect them

Having a plan in place with family members or close friends, the school and your bus driver can help to minimize potential problems when these situations arise. Ensuring that there is a designated person to meet your JK/SK child at the bus stop, should you be unable, can save all involved from undue stress. Also, ensuring that the school is aware of the alternate individuals permitted to pick up your child from school when busing has been cancelled due to road conditions or closures, will help to ensure that your child gets home safely.

IF YOU CANNOT MEET YOUR JK/SK CHILD AT THE BUS STOP:

- Ensure that the driver knows who is permitted to do so.
- Introduce these individuals to the bus driver ahead of time.

IN THE EVENT OF AN AFTERNOON TRANSPORTATION CANCELLATION:

- Ensure that the school knows who is permitted to pick up your child from school, should you not be able to do so.

Please also ensure that your child is familiar with these emergency plans.
